To Parent(s)/Guardian(s):

This letter is to communicate with all our enrolled families our commitment and plan for the safety and welfare of your child(ren) while attending Rocking Horse Academy.

Our Emergency Plan provides for a response to all types of emergencies. In the event of an emergency situation that requires an evacuation of our school's facility, our staff will make every attempt to contact you in such an event. Please be sure to supply us with up-to-date emergency contact information including your email and an out-of-area contact, if possible.

Depending on the circumstance of the emergency, we will use one of the following protective actions:

- **On-Site Evacuation:** Students are evacuated to a safe area on the grounds of the facility in the event of a fire, etc.
- **Sheltering In-Place or Lock-down:** Sudden occurrences in weather or other hazardous situations may dictate taking cover inside the building.
- Off-Site Evacuation: Total evacuation of the facility may become necessary if there is a danger in the area. In this case, children will be taken to a relocation facility by Rocking Horse Academy's program vehicles, staff vehicles, parent vehicles, volunteers or neighbors and/or walking. Staff will remain with and care for your child(ren) at all times during an event. Attendance will be checked regularly whenever our children are moved. Staff will bring any necessary medications, supplies, and emergency records. In the event that we receive different instructions from emergency personnel, every attempt will be made to contact you with the alternate plan or post messages on Facebook and Twitter if possible.

Students will remain at the relocation facility accompanied by our teachers and staff while family/guardian/ emergency contacts are notified of the situation. If you're not sure how to get to any of these locations, please ask for directions BEFORE there's an emergency.

Modified Operation: Cancellation/postponement or rescheduling of normal business operations may be required. These actions are normally taken in case of a winter storm or building/transportation problems (such as utility disruptions or mechanical difficulties) that may make it unsafe for children in a variety of situations. Please listen to local radio/television stations for announcements relating to any of the emergency actions listed above. If it ever becomes necessary to relocate, a sign will be posted on the main entrance stating which facility we've gone to (A or B). We will attempt to leave a message on the school's main number 512- 405-3700. If possible, we will also post announcements on Facebook and/or Twitter. We do ask that you limit your calls during an emergency. This will keep the main telephone line free to make emergency calls and relay information.

Just in case these options are not available, you may try to contact us at:

512-578-9673 (Emergency Cell Number)

This is for EMERGENCY USE ONLY.

Our Emergency Plan relies directly on your contributions of extra clothing, medication, diapering supplies, water supply donations, and your preparation for an emergency situation. Please take the time to implement your own Family Plan. Please keep this information with you so that you will know how to contact and find us in the event of an emergency or evacuation.

An "Emergency Contact Card" is in each classroom or at the front desk for you to complete. This form will be used to contact families and verify authorized emergency contacts in order to release your child. Please ensure that only those persons you list on the form attempt to pick up your child.

In order to guarantee we have all of our student's most up-to-date emergency information, our school will require that all children's "Emergency Contact Card" be resubmitted at the beginning of each school year regardless of your last update.

We realize that emergency circumstances may require changes to your plans, but I urge you to NOT make different arrangements if at all possible. This will only create additional confusion and divert staff from their assigned emergency duties.

In order to assure the safety of your children and our staff, I ask for your understanding and cooperation. Should you have additional questions regarding our emergency operating procedures, contact me at 512-405-3700 ext. 305.

Sincerely, Rebecca Eichen Director

Welcome to RHA Summer Camp of after-school program!

We strive to provide each student enrolled in the Corral Kids' program with a fun and safe learning environment while on the RHA campus. To ensure this, the Corral Kid program has a variety of behavior systems in place. These include positive reward systems as well as personal behavior modification sheets, based on the behavior notes, that are filled out and communicated with parents/guardians if there are any behavioral or physical issues that disrupt the safety of the program and its participants.

Everyone has the right to a safe and positive environment, so together as families, students, and teachers we worked to outline rules, appropriate behavior, and consequences of inappropriate behavior at Rocking Horse Academy.

Behavior Note System

Our behavior sheets are our first formal step in the behavioral redirection process. There are two separate types of "behavior notes" a child may receive. The RED behavior note is for physical issues (including but not limited to...kicking, hitting, pinching, throwing objects) and the YELLOW behavior notes are for behavior issues (including but not limited to...ongoing language issues, constant disrespect of RHA property, disrespect towards teachers and staff.) Students are aware when a behavior note is given by staff; staff will communicate with parent/guardian at pick up for each behavior note their child was given. To ensure proper communication, staff will ask parent/guardian to sign accordingly. We want to ensure that students are set up for success while also holding them accountable for their words and actions and choices. If a student receives five or more behavior notes in one week, they may be dismissed from our program. *

*Rocking Horse Academy has the right to meet with the parent/guardian and discuss immediate termination if physical or behavioral issues are causing a threat to the safety of the staff or the students in the program.

As a student enrolled in the Corral Kids Program, I agree to:

- 1. Keep personal belongings put away in designated areas.
- 2. Leave toys and personal belonging at home as they are not allowed on RHA property.
- 3. Respect others' belongings.
- 4. Follow all rules set in place for my safety at RHA
- 5. Follow instructions given by teachers and staff at RHA.
- 6. Communicate openly with teachers and staff when I feel that help is needed or another students needs help.
- 7. Stay with my teacher and my group in our designated areas during gym, snack, classroom, and outside time.
- 8. Show respect to my fellow students, teachers, and staff.
- 9. Respect the supplies, games, and toys used in the CK program.
- 10. Help clean-up after myself following snack and activities.
- 11. Never leave without being accompanied by a CK teacher or my parent/guardian.

As a parent/guardian with a child enrolled in the Corral Kids Program, I agree to:

- 1. Respect/ Follow the policies set in place to keep my child safe.
- 2. Use appropriate language when on RHA property.
- 3. Have appropriate behavior towards my child and the children of other parents/guardians.
- 4. Communicate only with a staff member (**not directly with other children**), regarding any issues my child has expressed with another child.
- 5. Respect the staff members in the Corral Kids' program.
- 6. Communicate with RHA if my child will miss a day due to illness or otherwise.

Discipline Process

- 1. A conversation is had between staff and child/children involved.
- 2. "Time away" is given depending on the behavior or broken rule.
- 3. A behavior note is sent home if behavior is not corrected after steps 1 and 2 are taken.
- 4. A parent is notified by phone if behavior continues after behavior note is sent written.
- 5. In some cases, field trip privileges may be revoked, parents will be notified in advance.
- 6. If five behavior notes are given in one week, the child/family may be dismissed from the program.

Termination from the program may result from:

- 1. Intentional physical behavior toward a staff member or student(s) in the program.
- 2. Continual disrespect of rules and regulations given by Rocking Horse Academy.
- 3. Ongoing inappropriate language issues.
- 4. Inappropriate behavior that can cause damage or harm to staff or students in the program.
- 5. Inappropriate behavior by parent/guardian toward other children or RHA staff.
- 6. Law enforcement is contacted due to child or parent/guardian misconduct.

By signing this contract, you are agreeing to Rocking Horse Academy's academic and behavior standards and to act as an important partner in helping your child understand that only appropriate behavior that is non-threatening or bullying is appropriate in our school.

Please note that termination from the Corral Kids' program due to physical or behavioral concerns will result in failure to receive refunds and or prorated fees for the week terminated. Any deposits or registration fees are also non-refundable/non-transferable. No exceptions.
