

# Corral Kids

**SUMMER HAS COME AND GONE...** But we went out with a bang at our end of summer Fiesta! We are excited to welcome our Corral Kids After schoolers back for another new school year! The beginning of school for Corral Kids is all about adjusting to new schedules, teachers, curriculum, and friends... we are all excited to get the 2023-2024 school year started!

Homework, art projects, science experiments, games and fun activities are just a few of the fun things Corral Kids have planned this school year. We are excited to say, "Welcome Back, Corral Kids". This fall we have many projects planned! S.T.R.E.A.M experiments and art projects are a must! We will use inspiration from our surrounding nature, school plan events for all to enjoy. Don't forget every Thursday is movie day for group 1 and Friday is movie day for group 2 & 3! There is a list of movies provided on the gym doors at the beginning of the month. We are working together to have the best Corral Kids' year yet!

## Plan for FUN...

To start the year, each of our three groups will be working with the teachers in their group to create their own personalized set of rules so that the students have input into their program. We find that if we encourage the students to set their own rules, (and they generally know what rules they should follow), they are more inclined to follow them. We want to make each day an exciting and safe day, and each of our students can look forward to after-school fun! As the weather changes, so will our focuses. We will do different fall activities such as candy corn catapults, group pumpkin volcanoes, and corn mosaic art just to name a few! We look forward to an exciting and cooler fall semester with all our Corral Kids.

With days filled with changing leaves, there may be lower temperatures; we have much to look forward to. There are a few rules we want to remind our returning friends, while letting our new ones in on the happenings here in Corral Kids. - We ask that all toys from home stay at home. (We would hate if anything were to get lost or broken while at RHA) - Bring a water bottle each day to have at our outside times. Each group has a set time each day for quiet homework. (Please inform your child's teacher if there is anything you want us to focus on in that time. (i.e., reading, writing, math). At pick-up time at RHA, we ask that you check in with your child's specific Corral Kid teacher to see how his/her afternoon went.

## Communication...

We would love to hear from you! Our communication app, ProCare is a wonderful way for you to let us know about your child's expected attendance, questions about the programs and services that we provide, or any other questions that you may have.

## All Day Care!

All-day care tuition is \$100/ Wk. plus \$40 each day your child attends. If you do not wish to use All-day care, the \$40 will not be charged\*.
