PINTOS

Ms. Monette | Ms. Alycia | Ms. Ally

Hello Sunshine, Hello Spring!

We will have some fun and exciting activities going on in our Pinto classroom. We will continue using circle time to review some of our colors: white, yellow and blue, numbers 10-15, and review all letters and shapes of the week. Our Pintos love our Alphabet Soup Cans to go over our letter of the week. The anticipation of what's in the can is so much fun. Our new song box is a big hit, and the kids love to pick their favorite at circle time such as In the Middle, Jump Up and Down, and Mr. Clown. Our STEAM concepts of science, technology, engineering, art, and math are used daily but a big focus on Science and Engineering will come to play when we work on conducting hypotheses and inventions. We will use everyday items in our classroom to do projects/predictions such as "sink or float", and doing "Weather in a cup" to learn about color theory and coloring mixing.

Before you know it, summer will be here, and we will get to dive into ocean life. Our science center will come alive with some real starfish and a living fish may make an appearance as well, along with some beautiful seashells that we will take a closer look at using our magnifying glasses.

Potty Talk

Potty training is an on-going experience in the Pinto room, so it is important to keep 3 sets of clothes and even a pair of shoes in your child's cubby. Plastic bags are our best friends, so please feel free to bring in any extra you have. Remember when dressing your Pinto to make sure he/she is wearing clothes that allow him/her to easily pull down to go potty and pull up as well.

Reminders

Please remember to label everything, including your child's bedding and apply sunscreen every morning. We will use the sunscreen in the afternoons before going outside. If you want to supply your own brand, remember no aerosol allowed. Please send your child with a labeled water bottle each day (water only). We recommend adding ice to keep it cooler. As always, we are here for any questions or concerns you may have. You may call during nap time (12:30-2:00), leave a Procare message, or email us.
