

FOALS 2

Ready, Set, Dive into Summer Fun!

We are looking forward to a world fun, learning, and growing these next few months in Foals 2.

Summer will be in full swing with lots of different activities for your child. Ocean and Beach themes are part of the monthly themes. Rolling, throwing, chasing, and catching a beach ball will improve your baby's gross motor skills. (This will get those large muscles moving and will help your child gain strength and confidence in his/her own body.)

"Sandcastle" blocks and stacking cups skills promote cognitive development; your baby will have to concentrate on carefully stacking them and then use problem-solving skills to work out how to build the stack without toppling it over. Sensory bottles filled with water or sand along with beach elements will nourish social and emotional development.

Foals 2 babies will further enhance their language skills with an array of books, Spanish

words and songs geared towards our monthly themes. ("Baby Loves Summer", "Baby Beluga" are a few books we will read. Agua-Water and Playa-Beach are some Spanish words we will teach your child.)

Let's not forget about the creative expression and sensory development aspect of learning. Foals 2 babies will be exploring with fingerpaint and ink pads, making yellow suns, watermelons, and hot air balloons are just a few activities we have planned for Foals 2.

Don't forget the sunblock lotion (no sprays, please)! We will be sure to journey to the atrium, if we are able to, so that your child may have some fun in the sun. You apply in the morning, and we will gladly reapply in the afternoon. You must provide the sunscreen with a permission notice.

Always remember, a child's work is play. (This is how they learn skills needed later on in life)
